ETHzürich

D BIOL

Master Thesis

miRNA target enrichment benchmark and application to neuronal differentiation identify miRNAs putatively involved in maturation

Department of Systems Biology / D-BIOL, ETH Zürich
Laboratory of Systems Neuroscience, Schratt group

Dr. Germain, P.L., Laboratory of Systems Neuroscience, ETH Zürich, Main Supervisor
Prof. Dr. Schratt, G., Laboratory of Systems Neuroscience, ETH Zürich, Supervisor and Referee
Prof. Dr. Ciaudo, C., Inst. f. Molecular Health Sciences, ETH Zürich, Co-Referee
